

THE VIZSLA CLUB OF ILLINOIS BREEDER LISTING APPLICATION

As a Vizsla breeder on the VCOI list, I/We understand the guidelines and will breed only with the intention of improving the standard as recognized by the American Kennel Club, exhibit soundness, stable temperament, and natural hunt ability. I/We understand that only those dogs that have a DNA number and are free of serious hereditary defects (including epilepsy, progressive retinal atrophy, Von Willebrands, entropion and cranial atrophy), and who are over two years of age and have been x-rayed and OFA certified as free from hip dysplasia should be bred. I/We shall not breed, sell, consign puppies or adult dogs to pet shops or other commercial ventures such as lotteries or raffles.

Breeders participating in the Program agree to indemnify and hold the Vizsla Club of Illinois harmless from any and all claims against them and the Club relating to their participation in the Program and to their activities as a dog breeder and seller.

In addition, I/We understand if we serve the Club as a volunteer in some leadership capacity, such as a VCOI Board Officer, Board Member, Chairman or Secretary of a major club event, hunt test or field trial judge, or leader of a major event sponsored by the club, I/We will be reimbursed by the VCOI for the one year fee for Breeder Directory listing. Fee will be reimbursed after serving in that capacity for the term of directory listing going from June 1st to May 31st. A new fee will be assessed every June and eligible for a refund the forthcoming 12 months after serving again.

Please print or type the requested information clearly, date, and sign the form.

List memberships to all other dog clubs: _____

The VCOI assumes no responsibility for the accuracy of the information submitted and provides no endorsements for dogs. Individuals, or kennels. We encourage breeders to be fair and honest in their dealing with prospective buyers, and endorse the efforts of the VCA and OFA to eliminate hip dysplasia in dogs, and require members listed online to use only sires and dams that are OFA certified free of hip dysplasia.
