A CHRISTMAS WISH
by Garnett Ann Schultz

May Christmas bring you happiness,
A song to fill your heart
With all the blessings large and small
The season doth impart.
May laughter ring to make you gay
With hope and faith sincere...
May Christmas be a blessing time
You spend with those most dear.

May Christmas hold a quietness
With lights so soft and low,
While stars in heaven shining down
Put diamonds in the snow;
A very special happy time
With little ones about,
Your mind aglow with pleasant dreams
And not a fear or doubt.

May Christmas lend a special charm
To all you chance to do,
and may the season light your way
To hopes and dreams anew,
With angels singing in your heart,
A prayer you dare to say,
And every moment peaceful bliss
Throughout your holiday.

May Christmas bring you peace on earth
To ever live and last;
A faith instilled within your heart
Though Christmas Day is past.
This friendly greeting holds a prayer,
It's filled with warmth and cheer,
To bring a "Merry Christmas Day"
And then a glad New Year.

MERRY CHRISTMAS TO YOU ALL

* SECRETARY'S CIRCLE *

by Sharon Simon

The regular monthly meeting of the Vizsla Club of Ill. was held at the home of the Lambrecht's with 27 members and 2 guests present.

The Secretary's and Treasurers reports were read and approved. Betty Solberg offered to obtain the refreshments for the Jan. meeting. There will be no Dec. meeting due to the Clubs Christmas Party on December 11.

The President introduced two Vizsla members whom we have not seen for awhile, Mr. Wally Kunstman and his friend Mr. Fred Gerlitz, Mr. Art Siebel, and another guest Penny Meyer.

Under Comm. reports, Ken Crago reported that we had an excellent Fall Field Trial. Further details can be found on another page.

The Breed Improvement Comm. is asking for photos of all Club Champions for future use on the Bulletin Cover. Sharon Simon gave the report from the Nomination Committee. Those nominated for office can be found on the Ballot. The President asked for nominations from the floor. There weren't any so the nominations were closed.

Under old business, Lynne Austin made a motion that the Club obtain a coffee pot and grille for future club functions. Betty Solberg seconded this motion. A few people will get prices to submit for these items.

Under new business Dennis Cakora suggested that we have a Hunting stake in our regular trials. It was decided after much discussion that this should be left up to the Field Trial Com. Clif Monroe made a motion that the Ill. Club should support the dog shows with a donation of an award, so the Club will award trophies to 6 Ill. dog shows. Jim Busch seconded this motion. Ken Crago said that some guidelines should be set up for expenses for the workers at Field Trials. The President said the Board will discuss it and set up recommendations

for the next trial and for future trials.

Sharon Simon suggested that the Club should advertise in some Chicago paper about the Club so Vizsla owners know there is a Club and can get in touch with us. Prior to the regular meeting, Dr. Dan Farmer spoke to the members about the Heart worm and Hip-Displasia. His talk was indeed very helpful and informative as he brought X-rays for us to view of dogs with hip displasia in varying degrees. We salute Dr. Dan Farmer for trying to inform those of us who care about our breed. See you at our christmas party -- it will be the most fun you've had in a long time!

* FALL FIELD TRIAL - REPORTED BY KLM CRAGO *

Following are the placements for the Vizsla Club of Illinois, Inc. Fall Field Trial which was held at the DesPlaines Wildlife Area, Joliet, Ill. on Nov. 6-7-71.

I am proud to report that our Illinois Vizslas won 1st place in 4 of the 5 stakes. In fact, 7 of the 18 placements awarded went to VCOI Vizslas. These results are significant when you consider that this trial was open to Vizslas, German Short Haired Pointers, German Wirehaired Pointers, Brittany Spaniels, Weimaraners, Irish Setters, and Gordon Setters. There was a total of 74 starters out of an entry of 76 dogs. La Vern Innman and Darrell Gaynor were our judges for all stakes.

Congratulations are in order for Connie Gonszy and her dog Ficzkco Von Gonszy-Tanya. "Ficzkco" won B.O.W. for a four point Major, and from there went on to win B.O.B. - defeating four champions.

Congratulations; also to Helen Monroe for her nice win for major points with Jezebles Juba. This was only Juba's third show, but you would never think it was to see her in the show ring. She gaits beautifully, stands as solid as a rock, and judging from the way her tail kept wagging she enjoyed every minute she was in the ring.

There was rather a large entry (17 dogs, 1 absent) with entries coming in from Nebraska, Michigan, Wisc., Iowa and Illinois. I am happy to say it was our Ill. dogs that did most of the winning.

* KEN-L RATION GOLD MEDAL WINNER *

(taken from Nov. Dog World)

Submitted by Joyce Smith

Trixie, who raced for help and brought rescuers to her two year old master, Richard Sherry, when he was drowning in icy water, is winner of the Ken-L Ration gold medal award as "America's Dog Hero of the year" for 1971.

Owned by the Sherry family, of Lynn, Mass., Trixie is a mixed breed bitch, described as "part Beagle", and is only the fourth dog of mixed breeding in the 18 year history of the event to capture the nations top award for dog heroism.

On a morning this past April, little Ricky somehow

managed to elude his grandmother, in whose care he had been left while his father & mother were at work, and squirm through a tiny space in the fence of the back yard of his home. His absence quickly discovered his grandmother and a next door neighbor, went in search of the child. Only a few steps from her home, Trixie, soaking-wet and barking furiously, rushed up to Mrs Manna, (the neighbor) then raced away, looking over her shoulder as dogs do when they wish to be followed. Mrs. Manna hurried behind her to Buchanan Bridge Pond, about 100 yards from the Sherry home. Halting at the waters edge, Trixie continued barking and looking at Mrs. Manna who peered into the pond but could see nothing. Trixie leaped into the 35 degree water, began swimming in a small circle- still barking. Mrs. Manna, looking where Trixie swam, thought she saw the edge of Ricky's jacket; she jumped into the pond where the dog was continuing her frantic signals- and brought Ricky out.

Firemen, responding quickly to the distress call, could find no sign of life in the youngster, although "unbelievable quantities of water" were forced from his lungs by artificial respiration. Rushed to Lynn hospital, a team of Doctors worked desperately to save him. By noon the next day his temperature was back to normal; a week later his parents were permitted to take him home, where a delighted Trixie barked a wild and joyful welcome.

At the Warwick Hotel, Houston, Texas, on Sept. 9th, Trixie was acclaimed at a dinner in her honor. She received the gold medal, a gold-plated lead & collar, a gold plaque, custom made dog-blanket, and a years supply of dog food. Her Owners Received A \$1,000 U.S. Bond.

LOVE-KNOT

One man said to another, " Just saw two dogs running away on their honeymoon." His friend was surprised. "How did you know they were going on their honeymoon?" -"Easy," grinned the wise one, "They both had cans tied to their tails!"

* VIZSLA CLUB OF ILLINOIS FALL FIELD TRIAL-11/6-7-71*

Reported by Ken Crago

Field trials are a lot of work, and the VCOI Fall Field Trial was no different. But everything went smoothly because our staff of workers did their jobs efficiently and to everyone's complete satisfaction, and particularly to the benefit of our club.

Saturday morning was bitterly cold and windy. Everything was ready for a 7:00 A.M. cast off except that our horse wrangler was late. After hurriedly borrowing three horses for the Judges we were able to start.

By the time our second brace of Open Gun Dogs was ready to cast off, our rental horses had arrived and the trial proceeded smoothly throughout both trial days. Darrèll Gaynor and LeVern Inman judged all stakes and placed the dogs shown in another section of the Bulletin, - financial report also.

Because there are so many varied jobs in arranging and running a field trial, it is difficult to always identify particular individuals with a single job. People pitched in regularly at doing all sorts of things, from the regular F.T. committee work to serving food and watering the horses. We should take particular note of the following members as being workers at the fall trial: Dennis and Linda Cakora, Clif & Helen Monroe, Lew & Sharon Simon, Jim Busch, Rose Wagner, Fred & Lynne Austin, Phil & Dorothy Rosenberg, John & Beverly Pecora, Tony & Ann Lucas, Pete & Maryann Ingraffia, Darrell Crosswhite, Ed Williams, Dave Robison, and my wife Rose Crago. A thank-you to all of you on behalf of the VCOI. -- And Fred and Lynne, the food was great.

The Vizsla Club of Ill. held one of its most successful trials this past November. With five first places given, the Rusty Red dogs took home 4- plus many other placements. We are extremely proud of our winners. Congratulations are in order to the owners. We know you have worked hard with your dogs and achieved top results.

I am also proud of our working club members. Our trials are of the highest caliber and run without a hitch. All of the members who attend are willing to pitch in and do a job.

We were honored to have as a visitor to our trial and Banquet, Mr. Bob Bartel of the A.K.C. Bob travels over most of the U.S.A. visiting various field trials and talking with dog people.

Thank you members for working for the VCOI and Vizsla breed through 1971. May you all enjoy your dogs to the fullest in 1972.
