\* SECRETARY'S CIRCLE \*

by Sharon Simon

The regular monthly meeting of the Vizsla Club of Ill. was held on Nov. 15, at the home of the Paacorals with 26 members present. The President asked for a moment of silence for the loss of a very dear friend, George Solberg - - founder of the Vizsla Club of Illinois and it's first President.

The Secretary and Treasurer's reports were read and approved.

Fred Austin offered to obtain the refreshments for the January meeting. There will be no meeting in December due to the Clubs annual Christmas Party.

Under Committee Reports, Tony Lucas reported that our field trial was an excellent trial, with an excellent banquet and super excellent meals - mainly due to Jim Busch. The Club gave him a band - which he accepted humbly.

Darrell Crosswhite reported that the Clubs spring trial will be March 23 - 24 pending AKC approval at DesFlains or Green River.

The Spring Fun Trial will be run by Jim Busch. Be prepared Folks, Jim really has a lot of new fun in store for us ( including Horse races - on your mark - get set - and Go! )

The nominating Committee presented it's slate of nominees for the year 1973. Those also can be found on the ballot sheet. Please take the time to vote - and we hope to see you at the Christmas Party ..

Thought for the month of December:

The things we do at Christmas are touched with a certain grain of extravagance, as beautiful in some ways as the extravagance of nature in June.

Thought for Election:

It may be that men are not equal in all respects, but they are all equally men.

MEMBER WILL BE NO DECEMBER MEETING

Editors note: I would like to thank the club for the beautiful floral piece, and thank the many members who were so kind to me when tragedy struck my life on Nov. 9th. when my husband George had a fatal heart attack. Special thanks to Joe & Helen Malinck, Emil & Nida Szafirán, Lew & Sharon Simon who helped me in so many ways. Special thanks also to Erik and Julie of Park-N-Town kennels, Volo, Ill. who as soon as they heard the news offered to take my Vizslas and keep them for as long as was needed. You have all been very kind, and I will remember it always. Betty Colberg

\* IT'S ELECTION TIME \*

by Lynne Austin

The time to elect new blood is here. This year I am running for Treasurer of the Vizsla Club of Ill. Now you all know how well I handle money! We always made a profit on the fun trials that I ran. I have done a good and a complete job for any of the club functions that I have participated in.

My husband and I have been active members for almost six years in not only our local club, but also our National Club. I have run in or been a member of fun trial committee's, field trial comm. social event committee's, and dog shows.

Furthermore, when our club has needed a fill-in secretary for meetings I have always done my best in that capacity. When it comes to facts and figures merely balancing our household budget is a feat in itself. On the serious side I was executive secretary for a head auditor and also for a secretary/treasurer. So, I do know a little about keeping books.

And besides all that, I need the money. So Vote For -- LYNNE AUSTIN - (the brunette of your choice)

\* IT'S ELECTION TIME \*

My name is Ken Crago and I am running for the office of President. Since the time I joined the Vizsla Club of Illinois I've held three offices. My first office came at the time of the revision to our Bylaws and Articles of Incorporation when I was appointed Parliamentarian. Since then I have been a Director and now Vice-President.

I joined our club's Breed Improvement Committee and became the representative to the OFA (Orthopedic Foundation for Animals). Through the OFA I'm able to gather information about skeletal diseases of animals which I publish in the breed improvement column of our Bulletin along with any other dog related educational material I'm able to secure. I developed the new cover for our monthly

Bulletin that displays some of our members Vizslas that have earned championships or obedience degrees. Presently I'm the custodian of our Stud Dog Registry and will send it to any member interested in learning more about available stud dogs registered with us.

I have one Vizsla named Rippi of Webster Woodlands who was the breeds top Vizsla derby dog in 1971. Rippi has earned his bench championship and has two of the ten field points needed for a dual championship. My wife, Rose, and I live in Downers Grove, Ill. and have three sons who are just getting to the age of participating in dog related activities.

There are all sorts of activities that families or individuals can get involved in with dogs and if I'm elected president I'll work toward having a place for all of these varied interests within our Illinois club. My thanks to the nominating committee for considering me for office.

-----  
\* TRYING FOR TEN \*

Being Treasurer of the Vizsla Club of Illinois for the past nine years certainly speaks for itself.

An added qualification is my career as a tax accountant for a professional management firm. I feel I can best serve our club by devoting my time to the duties of the office of Treasurer.

I wouldn't be of much help on a trial committee, as I have to work almost every saturday, and being on my own, it's not always easy to travel to all the field trial sites.

While in office I've managed to pay our expenses and deposit our income in a timely manner, keeping our bank balance out of the red, as well as notifying each of our memberships before their due dates expire.

I want to thank you all for making my job easy and enjoyable for the past nine years. I also hope you will vote for me this year so I can make it TEN

Sincerely

Iris Pechota

## RESUME OF CANDIDATE PHIL ROSENBERG

I have been totally involved with the Vizsla Breed for five years as a member of the Vizsla Club of America and the Vizsla Club of Illinois. I am now serving my first year on the Board of the VCOA and have served on the Board of Directors of the Vizsla Club of Ill. for two years.

I have actively competed in the field with my bitch "Windy" since 1968, and this past year in the show ring. I personally finished "Windy" in the Field in 1971, and on the Bench in 1972, she now is a Dual. It was my interest in field trials that led me to start writing the Vizsla "Top Ten".

If I am elected to the office of Vice-President of your club I will do my out-most to work for the promotion and Betterment of the Vizsla Breed, as I have done the past five years.

---

Dear Members:

I would like your vote! If I'm elected Vice-President I would like to make some changes in our club. I think these changes are needed to keep our club the finest in the country. The sad thing about this is we need all Vizsla owners from our club to join together to do this. Right now we don't have one united club. Our dogs are only as good as we train them. We need training classes, show conformation classes and even obedience classes. We need to keep new members coming and old members active. We need a larger income.

If elected as Vice-President I will work to promote ideas for a larger income. In this way we could have free fun trials or pheasant shoots. Hopefully this plus training classes can keep old and new members active.

I campaigned my dogs in both field trials and shows, but most of my time is spent enjoying my dogs in the field. I believe these dogs should be Hunters First, and then trial dogs or show dogs if they have the ability. I will work to see if the

club can lease land. Land which all members could use to hunt and develop their dogs.

All these ideas take more money. More money than we take in now. However, I believe that as a club we could have these and many more things if we work together.

Dennis Cakora - FOR VICE - PRESIDENT.

VOTE FOR JIM BUSCH

Hi folks, my name is Bing Bang. For those of you who don't know me, I won the "Dog of the Day" award at our last fun trial and recently was judged "Best in Futurity" at the Vizsla Club of America Specialty. My owner, "Gentleman" Jim Busch has gone and decided to run for the President of the Vizsla Club of Ill. and I'm all for it. Things are rather lonely around here because I'm the only Vizsla out of five still living here, but that won't be for long. Jim plans on getting a Cliff & Helen Monroe puppy and a Karlene Gengler puppy this winter. I may be alone now, but that doesn't mean I'm neglected. Since Jim is in business for himself, he has plenty of time to spend working with me and helping the club in their activities. We haven't won many ribbons, but we sure have been around the country participating in many show and field trials. He has done all his own training with the help of a few friends. Jim told me confidentially that he would like to see more girls in leadership positions within our club. Yeah, I'm all for that. Vi the Vizsla can join me in anything! Jim thinks hobbies should be fun and since Vizslas are your hobby too, he would like to see everyone have as much fun as he does. Say Vi, you too Rippi, and all you other Vizslas out there in Vizslaland, tell your humans to vote for Jim. - VOTE FOR JIM BUSCH

Screenings - There are times when we need the courage to stand up and speak. There are even more times when we need the wisdom to sit down and listen.

Dear Vizsla Club of Illinois Members.

Not being a politician, I really don't know where to start or what people would like to know about a candidate.

I would just like to let you know that I am running for a spot on the Club's Board of Directors, and would like to tell you something about myself, since most of you people probably don't know who I am. First of all I have two female Vizslas, one a nine year old which I got at 6½ years of age. "Sandy" had never been shown or field trialed. Since getting her I have shown her and also entered in 4 of the Clubs Hunting Dog Stakes. She now has ribbons in both shows and also these stakes. "Star" is my 8 month old puppy that I am now actively campaigning in shows (she has 7 ribbons). I also intend to field trial her this spring.

I have been a member of the Vizsla Club of Ill. for about 3 years and am also a member of the Vizsla Club of America. I have volunteered for just about every committee, field, trial, shows, etc. since becoming a member of the club. I am also Co-Chairman for the coming Vizsla Club of Ill. Specialty Show in 1973. I feel that having volunteered my home for the Vizsla Club of Ill. meeting place would indicate that I plan on being an active member in the club for a long time.

My only campaign promises are that I will represent Show, Field Trial and just Vizsla loving members equally, to do everything possible to improve the club, the Vizsla Breed and represent all to my utmost ability at all times.

If there is anything further you would like to know about me or my pursuits regarding the Vizsla Breed, please telephone me, my number is (312) 595-0349

In closing I would just like to say I would appreciate your vote with the above mentioned thought in mind and please have a safe Holiday Season, and a Prosperous New Year.

Best Wishes - John A. Pecora

Sharon Simon - Office of Secretary

There ought to be a law of some kind about a Secretary running for 9 straight years - but seeing as there isn't, I'm afraid you'll have to put up with me for another year. (Watch me get defeated!)

Everybody says it's a thankless job, but it does have it's rewards - ( I can't think of any right now but ..) I'm a good honest Secretary, I've never taken funds unnecessarily - ( I'll show you my Eldorado tomorrow ) My reports are always in on time - ( Lets see - June 1969 is over due you say) I always attend Every meeting - (check with me on that when I'm down in Florida) My reports are always accurate - (Jim Shoes was president in 1971 )

So, all you Vizsla Club members, you do me a great honor by asking me to serve in this capacity again. I'll try even harder!!

Vote For Jim Busch -

by Jim Busch

Vizslas are my hobby and have been for the last seven years. I have owned five of them and briefly had three of them at one time. Right now, I have only one, but plan on getting two puppies soon; one from Cliff and Helen Monroe, and one from Karlene Gengler. I will not own more than one breed of dog though I see nothing wrong with the practice. My involvement with our breed is a matter of choice and I have chose dogs as a total involvement. I know full well, however, that if Vizslas disappeared from the face of the earth today, by tomorrow we all would be involved in other breeds or hobbies. Hobbies should be fun.

If elected President, I have three major goals for my administration.

1) I would like our club to become wealthy; - 2) I would like our club to own or lease our own land; - 3) I would like to double the size of our membership. ( more on the next page)

Of course, there are many other things I would like to see us do, but they would all be easier accomplished if my major goals are accomplished.

I am 35 years old, own six coin laundries, I am divorced and live in a home in Elk Grove Village with my three children. We enjoy outdoor activities as individuals and as a family. I am a hunter, field trialer, and show my dogs. My success in field trials is limited, however, I currently own the holder of the "Dog of the Day" trophy from our last fun trial. He was also judged "Best in Futurity" at the 1972 VCOA. Speciality. I have had help from competent friends, but have trained my dogs myself for both field and show. Obedience work so far has not been a part of my life, but I feel our club should encourage that facet of dog exhibition among our members. Vizslas are my hobby. Please vote for Jim Busch -
