# BULLETIN

www.vizslaclubofillinois.org

A bimonthly newsletter for the members and friends of the VCOI

What can I say!? The road to Championship for my two Vizslas, Deuce and Tori, was a roller coaster ride of emotions that ended on Deuce's second Birthday with a 3 pt. Major in West Allis, WI. Within two months I had two Champion Vizslas in my home!

Learning about the dog show world, Tori and I endured together. Sometimes not with her enthusiasm since my little princess is definitely NOT a morning girl. Once I learned that sleeping beauty needed a crate to prepare for her grand appearance along with the luck of a few afternoon shows and the helpful input from fellow Vizsla lovers, I was able to help Tori shine on January 10 in St. Paul, MN with a 4 pt. Major and her Championship. I was told by a fellow exhibitor that "she wanted it." Deuce's demands were considerably less, simply a hug and a few playful games that kept him sharp in the ring and his determination to please me resulted in four major wins and his finish.

Although Tori wasn't my first Vizsla, I wasn't prepared for this "Tornatious Lilady" so named for the funnel cloud of dust that was left in the barn after feeding time every day. Tori is full of energy and spunk and so much of a clown sometimes that I can't hold back the tears from laughing at her. Sometimes I wonder if she is not part mountain goat since she is determined to be on the highest spot around, be it a pile of dirt, the hay mound or seven feet high in my apple tree. I will never forget the morning I looked out, with awe and disbelief that my dog had climbed a tree. As I stood there wondering how I'm going to get my precious girl out of that tree safely, she is looking down at me with disdain that I scared away her unsuspecting quarry. Then, with a big sigh, she turns around and swiftly steps down from one branch to another and jumps out of that tree and is off to her next adventure. Tori is full of personality! She quickly learned how to play the drama queen to get much attention and coddling from my brother even tho he knew just as quickly she could jump up and be ready to play as she's biting his nose and running off in search of the noisiest toy around. At the end of the day, I welcome her sweet, quiet, observant side as it gives me time to rest while she is perched upon her throne in front of the fireplace.

Deuce has brought a very different dimension to the family. As Tori and I are mostly loners, Deuce HAS to be with me. His need for hugs and to be touching me is sometimes smothering. That is, of course, unless there are birds around. I think he doesn't know, see or hear me when he has birds on the brain. I remember his first hunt test, they had called time and Deuce was not ready to stop continuing to find five more birds before we were able to round him up and get a leash on him. It was comical to see him watch me out of the corner of his eye while on point and as soon as I got within three feet, it was as if he was saying, "ok, you've got this one, I'll go get another." The intensity Deuce has on birds and his staunch points are a beautiful sight. Even as a young pup, his patience was amazing as more often than not, I had difficulties finding the bird he scented as it was either in such deep cover or much farther away than I had ever had a dog point. His natural ability is breathtaking.

I am thrilled to have these two as my family and grateful for the opportunity to learn from them. My special thanks to the club members, including Cathy Gallagher and Jill Hoffbeck, that kept me going during discouraging encounters in the ring and for their insightful input in helping me allow my dog's best to come out, to Pat Muller, who fine tuned my techniques and gave me the confidence to go into the ring and present my dogs like the champions I knew they were. And, of course, to Rae Ann Jones for breeding such fine Vizslas and for helping me stay focused on the finish.

Tori (CH Sizzlevilles Tornatious Lilady JH) and Deuce (CH Sizzlevilles Freedom's Choice JH) will be bred around the first of March. With Tori's tenacity of the find and retrieve and Deuce's style and ability to find birds along with their wonderful temperaments, I believe they will compliment each other, resulting in fine family pets as well as hunting companions.

## AT STUD: CH. ARCHIEE, JH

Archiee is off to a good field start and already has a Gun Dog placement. We expect good things from him considering he has our Hall of Fame dog DC/AFC Askim, MH, NSTRA Ch on both sides of his pedigree. Archiee is OFA Excellent and produces beautiful dark rust puppies. He is the sire to 2010 National Open Derby Champion Don Juan de Bucz "Donner" owned by Debbie Reid in Canada and handled by Brian Gingrich, and Ch. Zeeva, JH who has an Amateur Walking Derby first place and is owned by us. There are many other Vizslas sired by Archiee doing extremely well in competition whether it is shows or the field. As the Holidays are upon us, we need to remember to keep our dogs safe. This is the time of year when lots of dogs get into goodies that are in the house and end up with chocolate poisoning. We also need to watch the dogs in this cold weather that they don't get frost bite.

I hope that you have a wonderful, Merry Christmas, Happy Hanukah, and a Happy New Year. I personally hope to see all of you January 15th at our Annual Awards and Holiday Party, it is sure to be fun!

Happy Holidays!

## Did U Know?

Here's some good advice from George Haines:

Program into your cell phone your dog's chip information. You can list Gracie Home Again and list the phone number for Home Again. Be sure to include the Registration number as an alternate number under the listing.

Mark Spurgeon added that you should return to the veterinarian after the initial implanting of the chip to make sure it can be scanned.

**We are looking for bird recipes... pheasant, chukkar, quail. Please share your favorite uses for your dog's hard days work!! E-mail them to [skliefoth@yahoo.com](mailto:skliefoth@yahoo.com).**

### Attention:

We are adding this **Did U Know** segment to the Bulletin but we need your help! Please send in any useful tips, creative solutions, or old wives tales that you use and that may benefit other VCOI members. Anything to do with Vizslas and all the varied activities we participate in...  
Conformation, Agility, Obedience, Hunting.

Send contributions to Shelly at [skliefoth@yahoo.com](mailto:skliefoth@yahoo.com).

### VCOI Fun Days February 19<sup>th</sup> and 20<sup>th</sup>

It's hard to believe we're talking about events for Feb 2011.

Nevertheless, Feb 19<sup>th</sup> and 20<sup>th</sup> the VCOI will be having two training days at Des Plaines Wildlife area (West Grounds). We will be discussing what will take place on these two days at the Awards banquet in January. Whether you have young dogs or an old veteran, this is a great time and place to get them on birds. Club members will be available to help you with any type of training that you would like work on.

As a reminder, dogs running in the futurity MAY NOT participate in this event.

Field trailers can train on the west side of the west grounds.

Anyone interested in attending and or volunteering to help out can contact Dennis Nowak at 815-439-0720 or Brad Lepoudre at 847-888-1176.

## VCOI Membership Meeting Minutes ~ Continued...

**Specialty Show:** Kathy Engelsman and Kathy Harmer are working on this two-day event. Members discussed trophies for this event and whether or not they want to have different trophies each year, or have the same style trophy year after year. The donation amounts for trophies for this event will need to be decided. Members may contact George Haines for quotes on trophies/plaques.

**NOMINATING COMMITTEE:** The following slate of officers for the VCOI was presented to the members present:

### OFFICERS:

President: Pam Spurgeon  
Vice-President: Kathy Engelsman  
Treasurer: Linda Busch  
Secretary: Kim Barker

### BOARD OF DIRECTORS:

Rodney Albin Brad LePoudre  
Jeff Parise Greg Hedien  
Brian Johnson Dennis Nowak

Pam Spurgeon asked if there were any nominations from the floor of members wishing to join the VCOI Board of Directors or be a VCOI officer. Hearing none, Jim Gingrich made a motion, seconded by Mark Spurgeon, to approve the VCOI slate of officers as read and have this slate of officers voted on at the January, 2011 VCOI meeting. A voice vote was taken of all members present and the motion passed. Pam Spurgeon thanked Kathy Harmer and Tom Grekowicz for having been on the VCOI Board and for the terrific jobs they have done on behalf of the VCOI.

**Canine CPR Class:** Pam Spurgeon is still working on a date for a canine CPR class. Several members have signed up for the class and if anyone is interested, please contact Pam Spurgeon.

**Miscellaneous / Other Business:** Jim Busch stated that Jerry Gabriel contracted Lyme's disease from a tick bite while at the Des Plaines Wildlife Area. Jerry has been receiving medical attention for this disease. Members were encouraged to take Lyme's disease seriously, check for tick bites, and if bitten, watch the site for any reactions. If you have a reaction, seek medical attention immediately.

**Brags:** George and Mary Haines proudly announced their new male Vizsla puppy Midnight Sky Morning Call "Rooster". Linda Busch's Ch. "Zeeva" JH took first place in the Amateur Walking Derby at the VCEI Field Trial. Debbie Reid's Don Juan De Busz "Donnor" won the VCA National Derby Classic. Jim Gingrich's dogs had many wins. Burr Oak's Quarterback "Rex" was runner-up at the 2010 NVA National Quail Championship. Burr Oak's Redneck Cowgirl "Casey" won the 2010 NVA National Quail Derby Classic. Both were held in Paducah, Kentucky. Bravo Haulin's Stage Winner "Brie" won the Gary Jagoda Derby Classic held in Ionia, Michigan. And Jim's last accomplishment was Burr Oak's Kick Em Up "Jake" won the Open Gun Dog at the Fort Detroit German Wirehaired Pointer Clubs Field Trial held in Ionia, Michigan. Mark and Pam Spurgeon's 2xNGDC NAFC DC AFC MVSDC Crimson's Twenty Gauge "Ruger" SH CGC won the 2010 Midwest Vizsla Shooting Dog Championship held at Ionia, Michigan.

**Adjourned:** Cindy LePoudre made a motion to adjourn the meeting. Jodi Cieslak seconded the motion. Pam Spurgeon adjourned the meeting at 7:40 pm. Pam Spurgeon mentioned that Amanda Kosanda will give a presentation on canine first-aid after the conclusion of tonight's meeting.

# The 2011 Midwest Vizsla Futurity

The 29th running of the Midwest Vizsla Futurity will be held on March 4, 2011, on the West Grounds of the Des Plaines Wildlife Area in Joliet, Illinois. Entries for the 2011 Futurity will close at 7:00 p.m., on Thursday, March 3, 2011, and the drawing will be held immediately after closing in the clubhouse. Entries may be made in person up until closing time at the grounds, or mailed beforehand to the MVF Secretary, Rodney Albin, 2445 Carter Road, Moscow Mills, MO 63362. The fee for entry in this year's Futurity is \$75.00. Our judges will be Mr. Howard Burbach of Pleasant Hill, MO, and Mr. Kent Harter of Hampshire, IL.

For those who are not familiar with the Futurity, it is a 30 minute derby stake run under the American Field but with its own rules, the most notable being that all placing dogs must have a staunchly pointed bird. Only nominated dogs may participate, and bitches in season may be run. Go to <http://www.vizslafuturity.com> for additional information about the MVF Rules and Regulations, litter nominations and pup re-nominations, and for reports and photos from previous years.

Year in and year out, the MVF showcases many of the best derby dogs our breed has to offer. This year is no exception. From the twenty two litters nominated for the 2011 Futurity, we anticipate more than a dozen hopefuls to be drawn and run. Included in that field will be a number of derbies currently ranked on the Vizsla Club of America's Top Ten Puppy/Derby List.

The Winner of the Futurity is awarded the highly coveted "Double Lane Dog" trophy, and the 1st, 2nd and 3rd Runner Ups all receive "Single Lane Dog" trophies. A cash purse is also divided among the winners, with a portion of the purse going to the breeder of the winning dogs (provided that they nominated the litters). The breeder of the winning dog is also given a Breeder Plaque if they nominated the litter.

Even if you don't have a derby nominated to run this March, this is an event worth attending just to watch. Who knows what next great superstar you might see? Plus, you can come for the MVF and stay for the VCOI spring field trial on the weekend.

For those who have a litter that was recently born, or is about to be born, get that litter nominated for the next Futurity. For those with young dogs, pups can still be self-nominated and run next year, so don't delay. In the words of the Futurity's founding father, Hank Rozanek, we need to "keep them pups nominated."

Jon Peck
