BI-MONTHLY BULLETIN

Note from the Editor: While everyone is still in shock from receiving this new form of news bulletin, let me explain. This has been a rather hectic month for us and I have not had the time to sit down and properly type the news. Between getting the house insulated, going to the Nationals, and trying to start a new business, I have let this particular job sit on the side until there was not time enough to type the news in the fashion you always receive it. This particular month would have involved two trips to the printers, which I have not had time for. So, I hope you enjoy the contents - they are just as interesting regardless of the printing form.

There was a Water Fun Day held at the Des Plaines Wildlife Area on August 19th. Apparently the weather was good during the trial, but afterwards it rained. There was a small turnout, but those who did attend were able to work their dogs on water retrieving and checkcord with pigeons. I have pictures, but they're in color and won't reproduce well for print.

The drawing for the shotgun will be soon. For those of you who have not turned in your tickets, you had better do so prior to the November 21st club meeting when the drawing will take place. The item to be raffled off is a FOX 20 ga. side-by-side shotgun, model BSE.

SECRETARY'S REPORT by Ann Lucas

The September 19th meeting of the VCOI came to order at 9:30p.m. with 20 members present. Thanks to Maryann Ingraffia for refreshments. Linda Busch volunteered for the November meeting. Secretary's report was accepted as read. Treasurer's report was given and accepted. Committee Reports: Fall Field Trial had 63 entries. John Schoonover replaced Darrel Crosswhite as Judge. Geno gave the placements. Iris Pechota reports she is looking into the Christmas party for December. Field Trial Clubs of Illinois - Tony Lucas reports Vizslas are listed with German breeds. Winner for the year was Blue Dawn/Randy Sime, runner-up P.J.'s Wildfire/Joe Vicari, Nikkers/Terry Tryzinski 3rd, and Willie Whompum/T. Lucas 4th. Spring Field Trial dates have to be applied for by September 30th. Chairman is Tony Lucas, Secretary Ann Lucas, so far the committee is Jeno Woehrle and Carl Sporie. Secretary read letter from AKC about the emergency situation regarding fuel and the economy. They suggest better directions to grounds. Jim Busch discussed special award for Bud McGivern at Nationals. Raffle tickets were mailed in August and we have been getting a good response. Bulletin - Linda needs results from events. Tony Lucas reported on the Greater Cleveland trial which finished a new field trial champion - Amber Duke's Dandy owned by Del Seelye, Maryland. President appointed nominating committee, Linda Busch, Maryann Ingraffia, and Geno Woehrle, with Tony Lucas as alternate. Secretary showed stationary for sale from the Southern California club. Tony Lucas made motion to adjourn, Jim Busch seconded. All Ayes.

Next club meeting: November 21st at the home of John and Beverly Pecora
17 W 215 Rodeck, Bensenville
Phone: 312-833-8373

Time: 8:30 p.m. Dress: Casual Refreshments will be served.

(Jim and I attended the Janesville show - the first for us in a long time. We entered Rusty just for grins. He's down to field weight, which is considerably skinny for showing. It was almost embarrassing, especially the looks we received from those around us. But we attended to have a good time with friends and that's exactly what happened. After the show was over (not really over, just our class was over), we loaded up the Harmers in our truck and with George Peirce following, we all had a late breakfast together. Most of the talk centered around the forthcoming Nationals. I remember George remarking that he was going and had entered Baron in the show just for the fun of it since he did not expect to win anything. As you can see later in the show specialty write-up, George did us proud with his third place win in the Open Dog stake with Baron.)

Editor's comments: The National Specialty was the most spectacular event of the entire week at the Nationals. Last year when it was decided that we were going to use a Hungarian judge for the show specialty, there were a lot of us who weren't sure that was a good idea. Boy, were we wrong. It turned out to be the best thing that happened to Vizslas in a long time - especially if you field trial and show. Having come straight from Hungary, Miklos Farkashazi knew no one, owed no one, and looked for the combination field and show that most of us desire. He seemed to favor dogs with a deep chest. Three home-made movies from Hungary were shown at the dinner Saturday night and it seemed that the winners he picked most resembled those shown from Hungary in the movies. Probably the most outstanding thing he did that really upset the entire program was asking those entered to walk their dogs in the ring more than gaiting. Faults that don't show up when gaiting sure do tend to come out when walking. He even dismissed one dog for being too large. The professional show handlers really took a beating, and on the other hand, the field people who normally do not fair well in the show ring took a great percentage of the placements. It was the most exciting show I have ever been to in my life, and I normally do not care much for showing. I don't have my show catalog with me, but George Peirce's dog The Baron of Batavia placed 3rd in a group of approximately 30 Open Dogs. All I could remember was George saying he knew he didn't have a chance, but was entering just for the fun of it anyway. Well, George, the folks here in Illinois sure are proud.....especially us Busches since that is a Bing Bang puppy. The entire day was great from beginning to end and all those involved in putting on this spectacular event should be congratulated for such a fine day. You will also notice that "BARON" placed 3rd in the Puppy Sweepstakes 12-18 months, and Kathy Harmer's Polar Kap's BUCACO'S NUGGET placed 2nd in the Puppy Sweepstakes 12-18 months females.

FIELD PLACEMENTS AND WRITE-UP WILL BE IN NEXT ISSUE WHICH WILL BE MAILED THE WEEK AFTER THE CLUB MEETING, November 21st., PLUS PICTURES OF THE NATIONALS.

NEWS BULLETIN FROM GAINES DOG RESEARCH CENTER, White Plains, New York

A "mostly Labrador Retriever" from Maryland broke a seven-way tie on the second day of competition to emerge victorious for the second time in the annual Cycle K-9 World Frisbee Catch and Fetch Contest.

Dink, the leaping Labrador mix, came through in fine style in the freestyle events to finish with 64 and one-third points. In second place with 62 points was Ivey Lee, a Yellow Labrador-German Shepherd Dog mixed breed, from Georgia, and third place went to KONA, A VIZSLA FROM ARIZONA, with 60 and one-third points.

The competition, which consists of compulsory events on the first day and freestyle events on the second day, was cheered by more than 40,000 spectators at the Rose Bowl in Pasadena, California.

and, another bulletin from Gaines.....

The publication of one of the most important books ever written on canine genetics has been announced, advises the Gaines Dog Research Center.

As the author, Dr. Frederick B. Hutt, explains in his introduction, "Genetics For Dog Breeders" has been written "chiefly to tell to dog breeder what principles of genetics can be useful in the effort to breed dogs conforming to his ideals and carrying a minimum of the 'genetic junk' that plagues all species."

In the 245-page book's 14 chapters, Dr. Hutt answers many key questions, such as: Is the condition necessary? How is it inherited? How can it be eliminated with the smallest loss of valuable dogs?

A holder of seven university degrees, Dr. Hutt taught at the University of Manitoba, Canada, the University of Minnesota and Cornell Univeristy in a career spanning more than 50 years. He is now Professor of Animal Genetics, Emeritus, at Cornell University. He has written three other books and almost 300 scientific papers on animal genetics.

Pictured on the cover of this months bulletin is a new show champion The Baron of Batavia, shown and handled by his owner George Peirce. At the age of 17 months, Baron finished his show championship with a 3 point major at the Rock River Kennel Club's first unbenched show in 40 years. Not realizing "Baron" had finished, George wasn't too excited until the rest of the crowd informed him "this was it". "Baron" and George will be toasted at the forthcoming club meeting with champagne, so be sure to attend and help us all congratulate "Baron". Now that "Baron" has finished his show championship, watch out field people 'cause here he comes!
