THE TALE OF 2 BISS GCH's: Mother & Daughter

By Christine Quaid

GCH CH Holiday-N-Sunmeadow's Carry-On Caylee

GCH CH Carry-On Cara

While Caylee is best known for her show career, she is just as accomplished in the field. Caylee and I worked with Dennis Brath, who was inducted in February into the Field Trial Hall of Fame at the Bird Dog Museum in Tennessee. Working with Dennis Brath we completed her Junior Hunter in 2011. We started her Senior Hunter September 1, 2013 at the La Salle Brittany Club, and finished her Senior Hunter September 14, 2013. On Oct. 6, 2013 we started her Master Hunter, which we finished at the Buckeye Brittany Club on December 8, 2013, which was my father's birthday. In just three short months Caylee and I received her Senior and Master Hunter titles!

Caylee started her show career with her handler Hali Bednarz Jones, who was a Junior in college. On June 19, 2011 Caylee picked up her first show points with a BOS for a 3 point major at the Little Fort KC of Waukegan. In July, she took Best of Winners at the Kishwaukee Kennel Club VCOI Specialty. Then just three months later, she completed her Championship title at the Sheboygan Kennel Club.

Since Caylee enjoyed every moment she was in the ring with Hali, they continued toward a GCH title, which Caylee received on March 3, 2012 at the Wisconsin Kennel Club. By July, a year after Caylee received BOW at the VCOI Specialty, she won Best in Specialty Show under Dr. Sylvia Kerr. In December Caylee was invited to the Orlando Championship where she and Hali took a BOS under Jon Cole.

Bulletin Covers!

If your dog has completed a prefix title (CH, FC, AFC, CT, MACH, OTCH, etc.) and you would like to reserve a cover, please contact Connie Forner.

**Please let us know if your dog receives a National title as we would like to feature your accomplishments in the Bulletin.

Opinions expressed in articles are those of the author and do not constitute endorsement by the editorial staff, the VCOI or the Board of Directors. The VCOI endorses the efforts of the VCA and the OFA to eliminate hip dysplasia in dogs, and encourages its members to use only normal breeding stock.

All original printed photos submitted to the Bulletin must include a self addressed stamped envelope. Photos without return postage will remain the property of the VCOI. An exception to this is the cover photo, which will be returned at the VCOI's expense. Digital photos are preferred.

PRESIDENT'S MESSAGE

By Bill Elliott

VCOI has always been one of the busiest clubs in the country. Its success has largely been due to knowledgeable people and the communication of those events. I decided to run for President after having discussions with a few long-time, intermediate and newer members over the past few months. One theme that was mentioned was a communication gap of club news/events. This is a priority that I would like to work on this year. Communications for a club this size along with meetings set every 2 months is a very difficult task due to timing. Starting with the Bulletin, we will work to have at least four issues this year and hopefully more. Current, Connie Forner (who did a wonderful job on this Bulletin) volunteered to be an editor of the Bulletin. Thank you Connie for volunteering your services. In addition, I will send an email blast monthly updating the membership of club events coming up between Bulletin issues.

Another area that I would like to work on relates to some administrative issues of the club. There are a few loose ends that need to be tightened. I will work with the Board of Directors to discuss some possible bylaw updates. These updates are designed to be more transparent to the membership. The last update to the bylaws was in 2001. The majority of these suggestions are directly a result of communication to the membership. If you have any suggestions you feel will help us, now is a good time as the bylaw updates can take the majority of the year to complete and we would like to look at issues now.

The next couple of months are very busy for the club. Our next meeting is March 11 at Panera Bread, Routes 59 and 90, in South Barrington. The meeting starts at 6:00 p.m. The Chicagoland Family Pet Expo is mid-March at the Arlington International Racecourse. VCOI has a booth and volunteer spots open for you to bring dogs and talk to the public about the breed and the club. Contact Cathy Gallagher at 847-337-4714 or Ed McHale via mchale2080@att.net to volunteer. In April the club will be holding its Spring Hunt Test at the DesPlaines Wildlife Area. The dates of the test are April 18 and 19. Check with Brad and Cindy Lepoudre at 847-888-1176 for information on entering the tests.

I look forward to seeing everyone at the meeting.

Please note, we are looking for ribbon sponsors for this year's competitions. If you would like to sponsor an award please contact Bill for the details.

In addition, we are considering using e-mail to send out bulletins. Please let Connie know if an e-mailed bulletin is desirable to you.

Meeting Minutes

VCOI General Meeting Notes 1/11/2020

Call to Order at 6:23 p.m.
Number of Attendees 24
Adjourn 7:20 p.m.

Treasurer Report - \$11,360.86 in the bank. The VCOI received a check from a potential member on a closed account with a cost of \$37.00 to the club. Dennis Nowak thanked the club for donating \$50.00 to the USO organization on behalf of his father who passed away in October of 2019. Dennis mentioned that we received a thank you from Tina and Steve Scruggs for the flowers the club sent for the loss of their son. The profit on the fall hunt test was revised from \$941.00 to \$1040.00.

Secretary Report - The meeting notes were accepted from the previous meeting with the correction that Cathy Gallagher did not recommend the club put an ad on AKC marketplace but rather club members who are breeders place ads on AKC marketplace. Motion made by Cathy Gallagher and seconded by Cheryl Peterson.

Spring Hunt Test - Brad Lepoudre gave an update on the spring hunt test to be held the weekend of April 18th and 19th. All the judges are in place and paperwork will be completed shortly. Birds are ordered. We are now using Gages Poultry out of Jacksonville, IL at \$5.50 per bird.

New Business:

- Cathy Gallagher updated us the Chicagoland Family Pet Expo to be held at Arlington International Racecourse the weekend of March 20th. Ed McHale is co-chairing the event. We are looking for volunteers to help man our booth for 2 - 3 hour shifts. VCA developed a new brochure about Vizslas that we will be using at this event.
- Unfortunately due to weather Mary and George Haines were not able to make it to the meeting and were not able to bring the trophies.
- Midwest Vizsla Futurity - will be held March 27th for all the up and coming field trial dogs that are derby dogs.
- Membership - Ed McHale, our new membership chair, updated us on the membership. Currently we have 70 current members, we added 12 new members in 2019. There are 13 from 2019 and 6 from 2018 of old members that we are in the process of reaching out to to update their memberships. There are 37 former members that we have no idea as to what their status is. Members can use PayPal to pay for their memberships. Dues are \$25.00 per year or if you pay for five years it's \$100.00. Emails are being sent out to members whose dues are due.
- Bulletin - no update
- Agility - we are exploring this for the future.

- Slate of Officers and Board Members for 2020 to be voted on:
 - President - Bill Elliott
 - Vice President - Samantha Dunn
 - Treasurer - Dennis Nowak
 - Secretary - Susan Gervais
 - Board Members - Michelle Princer, Ed McHale, Rodney Albin, Brad Lepoudre, Steve Scruggs and Rick Forner.

Slate approved.

7:20 p.m. a motion was made by Susan Gervais and seconded by Cathy Gallagher to adjourn the meeting.

Brag

Michelle Selby: Chantilly received her Championship and has earned 9 points towards her Grand Championship. She went Breed and Best Opposite Sex at the Christmas Cluster and went Best Owner Handler both days. Nahla received her Junior Hunt title in 2019. Both Nahla and Chantilly received their CGC titles and Nahla has her Trick Dog Title. Nahla also has her Service Dog Title and is on her way towards her Therapy Dog Title.

Alyssa Perkins: Asher received his Dog Diving Junior and Senior Titles. He also received his Novice, Intermediate, Advance and Expert Trick Dog Titles. This is the first Vizsla owned by Alyssa.

Greg Wegler: Ty won the 2019 NCA NAFC. His third National Championship.

Cheryl Peterson: Flame passed her Open Jumpers and Standard. She will be making her debut in Excellent.

Robyn and Jim Doescher: Kota received his Championship and Nose Work One Title. Fargo has his Advanced Trick Title.

Brad Lepoudre: Bodie pointed a bird and the bird flushed. Dennis shot the bird and Bodie retrieved the bird. Since Bodie was re-homed and his background was uncertain no one knew what to expect but the bloodlines were there and instinct took over.

The next membership meeting will be held on March 11th at Panera Bread in South Barrington

THE TALE OF 2 BISS GCH's: Mother & Daughter

(continuation of the cover story)

In July 2013, Caylee completed her Bronze GCH title at the VCOI Specialty by taking Select Bitch at both the Saturday and Sunday Specialty and again taking Select Bitch at the Sunday Specialty. By August, she got a Sporting Group 3 at the Elgin KC show. In January 2015 at the International Kennel Club of Chicago show, Caylee took BOS and completed her Silver GCH. She then completed eight more points when she was retired.

In 2018 Caylee returned to the ring as a Veteran. In July she won Veterans at the Trinity Valley Vizsla Club Specialty in Dallas. The following week Caylee won Veterans both days at the VCOI Specialty going on to an Award of Merit on Saturday and winning BOS on Sunday for a 5 point major at 8 years old!

In November 2015 Caylee was bred to GCH CH AFC Rozsa Huntmore Citori Lightnin MH. On January 27, 2016 Caylee had a litter of six puppies, one of which is GCH CH Carry-On Cara. Since we now live in Texas, Cara was trained and mainly handled by Hali, but had various other handlers in limited shows.

Cara received her first show points taking BOW and Winners in January 2017. Her next show was in May where she won BOW BOB. In July at the Trinity Valley Vizsla Specialty, Cara won BOW. On December 7, 2017, Cara finished her Champion title at the Skokie Valley Kennel Club with a 4 point major. Three days later on December 10, 2017 Cara won Select Bitch for another 4 point major at the International Kennel Club Show of Chicago.

Cara did not show again for six months then in July 2018 she took Select Bitch for a 5 point major at the Trinity Valley Vizsla Club Specialty. The next day we drove to Chicago for the July and August shows. Cara was handled by Hali at the DeKalb show where she won Select Bitch and BOS. Next was the Blackhawk Kennel Club VCOI Supported Entry where Cara took Select Bitch for a 5 point major. The next day at the Kishwaukee VCOI Specialty she took BOB Best in Specialty Show under Linda Flynn. Later that day she received a Sporting Group 3 under Ms. Peggy Beisel-Mellwaine who asked Hali where Cara was on the Thursday she judged (not entered). **CARA WON THE VCOI SPECIALTY AT THE SAME AGE, SAME DAY, SAME PLACE THAT CAYLEE DID SIX YEARS BEFORE!** By the Cudahay Kennel Club show Cara won BOS, and August 11, 2018 won Select Bitch finishing her GCH title. On August 12, 2018 at the Greater Racine Kennel Club she won Select Bitch and August 13, 2018 won a BOS. On August 25, 2018 Cara finished her summer shows at the Elgin Kennel Club receiving a Select Bitch and taking a BOB plus her second Sporting Group 3 on August 26, 2018.

In just July and August Cara won the Trinity Valley Vizsla Club Specialty Select Bitch, the VCOI Best in Specialty Show, finished her GCH, and received two Sporting Group 3 wins while her mother Caylee, at 8 years old, won BOS at the VCOI Specialty under Alessandra Folz!

I have often said there is a special magic when Caylee is in the ring with Hali, as if stardust comes off Caylee's feet, and with her head held high she proudly gaits around the ring with Hali. My intention is to breed Cara in a year hoping to "Carry-On" such wonderful show and field lines. In showing Caylee and Cara, through over a span of eight years, Hali has become like a daughter to me. In that time I have shared the memories of Hali graduating from college and graduate school, starting her first job as an Occupational Therapist, marrying Billy (who I grew just as close to all these years) and having the most wonderful memories of a truly perfect wedding.

I guess dog shows can be much more than just showing dogs.

Tater Talks

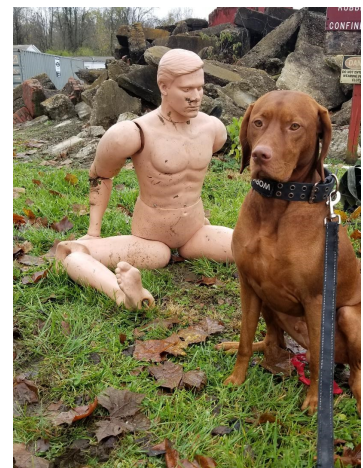

It has been a busy couple of months of search and rescue training. My human and I spent nine days working with some of the best trainers in the search and rescue business. Before I tell you about my training camps, let me explain why Search and Rescue dogs like me exist. A certified search and rescue dog has been trained to find and alert on the presence of either human remains or the presence of live human scent. We are known as either cadaver dogs or live find dogs. I am a live find dog.

My job is to recognize the presence of live human scent, no matter who it belongs to, and follow it right to the source (i.e., missing child, dementia patient, or trapped person in the case of a disaster). Once found, my final trained response is to bark continuously until my handler catches up to me. Occasionally I have to bark and keep my victim from moving or running away from me. A moving target is much harder for my handler to find. You see, I work off leash and follow my nose wherever it takes me. My handler and his team of flankers (usually 2 of them) are behind me – sometimes well behind me. The flankers are available to keep track of our location, help render first aid if needed, notify 1st responders of our location and assist my handler in comforting our victim. My handler is responsible for keeping track of me, reading my body language, and making sure I stay focused.

We usually are called out to a search by members of law enforcement. Law enforcement, as most of you know, have K-9s. The difference is that while some of their dogs have tracking abilities, most are trained for detecting narcotics or are bite dogs used to apprehend bad guys. Most law enforcement agencies can't afford to support a SAR dog. The average cost to train and maintain a dog like me is about \$10,000. per year. Charitable organizations like mine exist to support law enforcement.

For nine days I spent my day and occasional night working with K-9 trainers, working to sharpen my skills and show my handler how to read my body language. We worked at the search and rescue (SAR) training center of Homeland Security in Indiana.

For more information on my adventures, find me on Facebook at Tater Sar Canine.

YOU WANT TO BE SUCCESSFUL? THEN WORK AT IT!

Knowledge will allow YOU to define failure instead of failure defining you.

By Cheryl Peterson

Last time I discussed the importance of finding a mentor to take you under their wing and teaching you about the sport they know. You may need several mentors, one in each of the activities you are interested in (some not even in your breed) as no one knows it all. Once you've picked a mentor (and not your friend earning his first title but someone who has been around 15-20 years who has seen and knows the history of the sport and who has been successful themselves), then pick their brains! Pick. Pick. Pick! Knowledge is power of winners and those who possess the power, learn how to win.

In today's society, many people grew up when games weren't scored, everyone won a trophy, and no one was kept back a grade for failing. Unfortunately, today's dividend is having a world full of losers. These are the people who, if they don't win right out of the gate, disappear from the scene never to be seen again. I prefer to be a winner; I worked hard to attain my goals while others merely went through the motions. I didn't want to place or show, I wanted to win!

I know several people who basically just go through the motions. I'm not sure why but all I can guess is that they don't really care, they just want to participate. They do just enough to get by in grooming, training and showing their dogs. As it is said, "you get out what you put in," and your success will prove it. Sure, they go to class, but I notice them doing more visiting than training. I'd practice what my mentor told me or what I saw others do in the ring to perfect it on my dog. At shows, these people would get decked out with their clothes, grooming aprons and tools, but, alas, their dogs still looked disheveled compared to the other handlers who spent two hours grooming, not 20 minutes. Then they get into the ring and instead of paying attention to their dog, they'd be gabbing with other exhibitors. Yep, they went through the motions playing the role of a knowledgeable exhibitor, but when the dust settled, they still lost, and most of the time they complained. If you want to win, you have to work!

Study, Learn, and Apply Your Knowledge!

If you want to be successful then study, learn and apply your knowledge. Learn about canine structure and movement and the breed-oriented details. Understand the breed's history and the standard. Understand the terminology of slightly rounded over the croup, single tracking, and china eye from wall-eye (not the fish)! Learn what is meant about the phrases, "the dog was creeping," "stolen point," "lacks range," "backing," and "scout". Know why Vizslas single track and Labradors don't. What's the difference? Go learn why. If you don't know the structure or terminology, how can you carry on an intelligent conversation or be taken seriously by your mentor and breeders? You'll be laughed at. Think about it. If you don't have the inclination to learn and familiarize yourself with the basic knowledge, then you have no business breeding dogs. When you know the terminology, use it when talking to people. It just makes you look knowledgeable. People will think differently of you when you do.

YOU WANT TO BE SUCCESSFUL? THEN WORK AT IT!

Knowledge will allow YOU to define failure instead of failure defining you.

By Cheryl Peterson

You don't have to be entered at a dog event to go. Read up on the activity beforehand so you have an idea of what will take place. Go to a field trial and get on a horse and ride brace after brace all day. Listen to conversations AND ask questions. Don't just stand in the parking lot thinking you will see things. One weekend just go and watch the dogs run and the next time watch the handling. Ride up near the front of the pack so you see the dogs and handlers, not in the back where you spend the majority of your time wiping the dust from your face. Go to a show. Sit back, watch and take notes to discuss with your mentor. AND ASK QUESTIONS! This April/May Vizsla Nationals will be held up in Wisconsin.

It's a great opportunity to attend the breed seminar which breeders and judges partake. It's a great place to learn about structure and terminology and why Vizslas possess certain qualities that other breeds do not. Perhaps work at an event. Learn bird planting, set bars at agility, help at shows and attend seminars. It's another piece of knowledge you can tuck away into your gray matter.

Remember, this is the real world now. Only one dog wins, the rest lose. Decide the color ribbon you want to win and if it's blue, then be prepared to work hard and for years to earn it. But remember it's okay to fail. Everyone loses as it is a part of learning. But most of all, it's about working hard and learning what you need to know to be successful. Knowledge will allow YOU to define failure instead of failure defining you.

Cheryl Peterson is a retired AKC conformation, junior showmanship, hunt test and field trial judge. She professionally handled dogs for 25 years and is an author of two books, Please Oh Please Can We Get a Dog? Parents' Guide to Dog Ownership and Hounding Temptations! She has handled top ten show, agility and field trial dogs and other dogs that hold records in their breed.

The 2020 Chicagoland Family Pet Expo

by Ed McHale and Cathy Gallagher

The 2020 Chicagoland Family Pet Expo will be held on March 20 and 21, 2020 at the Arlington International Racecourse. Volunteers are needed to bring their dogs and talk with the public about the breed and the club.

If you would like to volunteer, contact Cathy Gallagher at 847-337-4714 or Ed McHale at mchale2080@att.net for further information.

Game Bird Recipe

Pheasant Noodle Soup

Ingredients

4 pheasants, cleaned well and skinned
Water
3 teaspoons salt
3 celery ribs, with leaves
1 onion, chopped
3 carrots, cleaned and chopped
1 pound mushrooms, fresh and sliced
2 (32 ounce) cartons low sodium chicken broth

Directions

1. Put pheasant in large kettle and cover with water
2. Add salt and cover, cook until pheasant is done
3. Remove pheasant, skin, debone and put pheasant back in kettle. Drain liquid from kettle and discard
4. Add 1 carton of broth to the kettle
5. Add remaining ingredients EXCEPT noodles
6. Cook until vegetables are tender
7. Add noodles
8. Add more broth to cover noodles and cook until noodles are soft

This is also good with chicken instead of pheasant

MEMBERSHIP INFORMATION

Hey Folks!

An important component of our club is to grow and maintain a healthy and up-to-date membership.

If you are a current member and need to renew your membership, you can go online at <http://vizslaclubofillinois.org/wp/membership/pay-membership-dues/>. Check your membership expiration date located in the Membership Directory under your address. **Please be sure to fill out the form so we have your current mailing address and best e-mail address.**

If you are applying for a new membership, please complete the Membership Application located within this bulletin or go online to print one (<http://vizslaclubofillinois.org/wp/membership/membership-application/>). Upon completion, please mail the application and your check to:

Ed McHale, VCOI Membership Chairman
2080 Tracey Lane
Algonquin, IL 60102

NOTE: All applicants must be endorsed by two unrelated members in good standing and not of the same household. This endorsement should be signified by obtaining the signatures of these members on the sponsorship lines on the application.

Illinois State Requirements for Concealed Carry Renewals

DO NOT ATTEMPT RENEWAL WITH A SMART PHONE OR TABLET. Errors from mobile interface can result in application denial. Only attempt renewal within 90 days of your expiration date. Finally, please ensure your address on file with the Secretary of State is up-to-date because applications and SOS addresses MUST match.

Illinois concealed carry license holders know that they will need a state-mandated three-hour renewal/ requalification course to renew their license before it expires at five years after issuance. The first of Illinois' CCWs began expiring in March/April/May 2019.

Renewing Your Illinois Concealed Carry Permit

Source: <https://www.concealedcarryofillinois.com/blog/renewing-your-illinois-concealed-carry-permit>

As we reach the five-year anniversary of concealed carry in Illinois, those who were among the very first to obtain their CCW permit will need to make sure that they've completed the *renewal course* in order to keep it valid. This is something which needs to be done every five years, and it's been made clear that law enforcement will not accept "I didn't know" as an excuse for not keeping up to date. Aside from being a strictly upheld law, it's also a great way to brush up on some of the fundamental skills learned during your initial training.

What Are the Requirements for IL Concealed Carry Renewal?

Unlike the initial classes which entail either 8 or 16 hours of training, the renewal process is much simpler. For renewals, you will need to complete two hours in the classroom and one hour of range time. This gives you and your instructor the opportunity to go over any basics that may have been lost or forgotten over the years, while addressing any concerns or questions you may have developed since last taking the full class.

- Refresher course on basics such as draw, care, storage and transport
- Hands on instruction from your instructor on technique and shooting
- Clarification on any new compliance laws or regulation changes
- Range time to practice your skills and ensure that you're prepared

**If your dog has any outstanding achievements, please submit information and photos to
Connie Forner at connie_forner@yahoo.com**

Michelle Selby: Chantilly received her championship and has earned 9 points towards her Grand Championship. She went Breed and Best Opposite Sex at the Christmas Cluster and went Best Owner Handler both days. Nahla received her Junior Hunt title in 2019. Both Nahla and Chantilly received their CGC titles and Nahla has her Trick Dog Title. Nahla also has her Service Dog Title and is on her way towards her Therapy Dog Title.

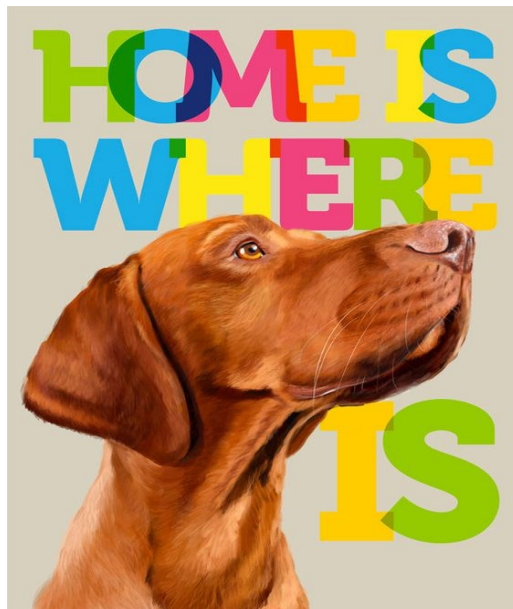

Alyssa Perkins: Asher received his Dog Diving Junior and Senior Titles. He also received his Novice, Intermediate, Advance and Expert Trick Dog Titles. This is the first Vizsla owned by Alyssa.

Greg Wegler: Ty won the 2019 NCA NAFC. His third National Championship.

Cheryl Peterson: Flame passed her Open Jumpers and Standard. She will be making her debut in Excellent.

Robyn and Jim Doescher: Kota received his Championship and Nose Work One Title. Fargo has his Advanced Trick Title.

Brad Lepoudre: Bodie pointed a bird and the bird flushed. Dennis shot the bird and Bodie retrieved the bird. Since Bodie was re-homed and his background was uncertain no one new what to expect but the bloodlines were there and instinct took over.
