BISS GCH, CH. JUST SPIKE, JH

Dam: Ch. Storms Path of Destruction (Addison) and Sire: Ch. Vizion's Blue Buoy, CDX, TD

Every once in a while you are lucky enough to get an exceptional dog. Spike is one of those right up there with more notably Raany and Askim. I wasn't in the market for a new dog, but Teresa Gimbut was pressuring me to take a pup from her daughter's litter that had Askim, our Hall of Fame dog, as the grandfather on one side of the pedigree. Julie Sjullie's dog "Blue" is the sire via frozen semen and Erin Gimbut Meyer's "Addison" who had won BOB at Westminster in 2009 is the mom. I reluctantly agreed when Teresa called all excited about how well he pointed as a pup and his splendid conformation, but I wasn't too happy about getting a pup to housebreak in winter. I named him "Spike" for Erin's brother Steve who we called Spike as a young kid since he was mischievous, trouble seemed to easily find him, and he just looked like he ought to be called Spike. He has since grown into a great-looking, exceptional young man (ex-Marine).

Since I didn't want him to be Spike VI, I had to tweak it a little and we ended up with "Just Spike." Little did I know the joyous ride he would soon take us on. Spike had early show success in the 6 to 9 month class by getting 10 show points (one was a 5 point major). He was Best in

Puppy Sweepstakes at the VCOI Specialty Show at 9 months, July 2011 on Saturday. Then Sunday he was Best of Opposite Sex in Puppy Sweepstakes losing to JNEK's female "Stevie." The two of them would later take turns winning when both were entered. That same Sunday he surprised everyone by going from winning the 6 to 9 month class to winning Best of Breed and also Sporting Group 2 under judge Sam Houston McDonald. It must have been karma since I had briefly attended Sam Houston University in Huntsville, Texas back in the mid 1960's..... I had been at the Specialty show Saturday, but was relegated to Double Bubble events on the farm Sunday. However, Sunday Jim was on hand to watch Spike win the Vizsla competition and after the call came in that Spike would be in the Sporting Group, I rushed from Double Bubble events to the show site to watch him earn a 2nd in the Sporting Group. I can't explain the joy and rush. We were primarily "field" people and while the show ring was not foreign, group placements certainly were.

Spike easily finished his conformation title by age 10 months and Grand Champion title by age 13 months. He received four passes at the April hunt tests in one weekend and thus became a Junior Hunter also. He is a joy to be around. He and Buffy (the Poodle mix rescue dog) chase each other non-stop. He loves to fetch. He's sweet and laid-back. I couldn't wish for a nicer dog. He has it all.

Special thanks to Teresa Gimbut, Erin Gimbut Meyers, and Julie Sjullie. Also special thanks to Chris Jones his show handler, and to Kathy Engelsman for show tips, help and encouragement along the way.

(Spike will be available at stud after Oct. 27, 2012)

CONGRATULATIONS to my husband Jim on finishing his females Ch. Southern Trails Una Roja, JH and pending AKC approval Ch. Lorrin, JH

President's Message

Well we are half way through 2012. As a Board we met on Saturday May 26th. We discussed a few topics. The club now has a laptop computer, printer and is in the process of purchasing the program that holds all the dogs information for field trials and hunt tests. This will make it much easier for the secretaries that are running the events. The computer was donated by Eric and Shelly Kliefoth and the printer was donated by Brian and Amy Johnson. Thank you for the donations. We will soon have the VCOI Bulletins dating back to 1970 on the website. They are in the process of being put on a disc to be downloaded to the website. At club functions we will be giving away (2) \$25.00 gas cards to VCOI attendees. We will have the drawings 4 times a year, Double Bubble, Specialty show in July, Awards banquet and the March Field Trial.

The last topic was gathering information on the VCOI putting on A National Gun Dog Walking Championship for 2014. It was voiced by a few members that we as a club should have this event to help give back. As a club, the VCOI has won the NGDC the past 6 years running. We will have more information regarding this coming in the future.

We as a club are fiscally solvent moving forward in 2012. The field events have been smaller this year. Both the field trials and the hunt tests have had fewer entries. However the donations to the raffles that we as a club have are going strong. Thanks to all who have helped out with our raffles.

Home-made Wound Remedy

At the VCOI Field Trial in Ottawa Rooster Haines ripped his pads during his run. Rodney Albin was there and sent Mary out to get the ingredients for a wound treatment.

8 oz. 91% rubbing alcohol

8 oz. Povidone Iodine (this type of iodine will not sting)

3 tsp. boric acid

Mix well and place in a spray bottle and apply to the wound three or four times daily.

Mary says the results were amazing, Rooster was even able to attend a dog show the following weekend!

****We want your recipes!! If you have a great recipe to share please submit to Shelly at skliefoth@yahoo.com for inclusion in future Bulletins.**

VCOI June Field Trial

The 2012 walking field trial was held June 9th and 10th at the Ottawa Field Trial Grounds in Eagle, WI. It was an unusually hot weekend with highs in the upper eighties and lower nineties throughout the trial. Water troughs were placed throughout the course in an effort to keep the dogs safe in the heat. Bird conditions were less than ideal with the high temperatures and low wind on course, however, the dogs still had impressive bird contact.

Judges were Tom Jagielski, Julie Nelson, and Julie and Kent Harter. There were 62 starters for six stakes. Because of willing judges, participants, and extended daylight hours, we were able to get through four stakes, OLGD, AWP, AWD, and OGD on Saturday. The remaining stakes, OD and AGD were run on Sunday. All the stakes had enough starters to allow points for the winners. The AGD ended up being a 3 point retrieving major.

There were a few new faces present, which is always good to see, and it seemed like the trial ran smoothly. This is thanks in large part to the judges and many willing volunteers who helped out during the weekend. A special thanks to Tritronics, Gun Dog Supply, and Nutrisource for donating prizes. Tritronics donated an e-collar, Gun Dog Supply donated four \$25 gift certificates, and Nutrisource donated coupons for dog food. All of the dog/handler teams that placed during the trial were put in a hat at the conclusion of the weekend and names were drawn for the prizes.

The weekend would not have been possible without the committee members, Mary Haines, Craig Donze, Michelle Princer, Mark Spurgeon, and Jeremy Weber. Special thanks to Mary Haines who did an excellent job keeping us all nourished throughout the weekend. There was plenty of water and lemonade, as well as delicious lunches both days and a great grilled pork chop judges' dinner Saturday night.

Thanks to everyone who made this another successful VCOI trial. We look forward to seeing everyone at the walking trial next year.

Bob & Kelley Hodges

After moving to Iowa City in 1976, Bob became an avid pheasant hunter as Iowa was the #1 state for pheasant hunting. After deciding he needed a hunting dog, he purchased one from Kelley Donham, DVM. Bob immediately fell in love with the breed and Jim Busch introduced field trials to him since his DC/AFC “Bing Bang” was the sire to Bob’s pup. Bob says he walked along beside Jim and his horse at a field trial, but it wasn’t long before handlers and dogs were out of sight and Bob was exhausted by the time he walked back in. After getting hooked on field trials, a few years later he, Karen and the kids sold their new house, moved to the country and added horses and more dogs to continue his love of vizslas and field trials.

In 1983 Bob purchased another Donham pup. Bob had made his pick, but Kelley assured him of the one he should have, so he took “Scooter” home. Eddie’s Little Brown Scooter won the first gun dog stake he entered which was a 3 point major at the VCOI trial. He earned his Field Championship by winning 3 or 4 gun dog stakes at the spring 1986

VCOI field trial. Unfortunately he died 3 months later from cancer. While ribbons and trophies are gone, the memories are still vivid. Bob has held every field trial job possible and Karen has played the role of midwife for many vizsla litters including the one that produced a pup they named Raany. Bob and Karen moved 14 times in 43 years due to his job requirements with Sears. During one of those moves and needing a place to house a few dogs until they found homes, Raany and his brother lived with Jim and Linda Busch and the rest is history as they say where Raany was concerned.

Today Bob and Karen live in Geneseo, IL., with their 3 vizslas, love to watch their grandkids play sports and enjoy their school activities. They continue to breed an occasional litter and their goal is to breed pups that are loving and calm in the house but keeping the natural hunting instincts.

2012 Midwest Vizsla Futurity

The 2012 Midwest Vizsla Futurity marks the 30th anniversary of this prestigious event. The Futurity was started in 1981 by Hank Rozanek. From its earliest days it has drawn the top Vizslas from the Midwest and around the country. Look at the past winners and competitors. It shows many of the top dogs in our history. If you have a field dog you will most likely see your bloodline represented. Remember "Keep them pups nominated"

2012 brought a large entry to the line. We had 17 Litters nominated by their breeders with 32 dogs re-nominated. We also had 3 dogs nominated individually by their owners. In the end 22 Vizslas with bright futures broke away from the West parking lot at the DesPlaines Conservation Area Joliet Illinois.

This year as in the past we were fortunate to have 2 National caliber judges judge our event. Our returning Judge was Kent Harter with Kent Merriman filling the new spot. We would like to Thank Kent and Kent for their time spent in the saddle watching our dogs. We would also like to thank our sponsor Purina for supplying dogfood for the winners and Jackets we had embroidered for our judges

Friday morning March 9th was a perfect day for running dogs. The temperatures remained cool and fairly steady to give consistent conditions to all competitors. The grounds from the cast off and through the back field were good and gave enough cover and objectives. Once re-entering the front field was another matter. The brush had been cut and fields burned. The Illinois DNR was controlling the invasive plants making the orchard almost bare. One edge of the orchard was still in good condition and didn't detract from the dogs. We ended in the north field to give room for some of the big running dogs.

The 2012 winners received a large purse and the coveted Double Lane Trophy. The runners up received the traditional single lane trophy. Again this year the winner came from a breeder nominated litter and the Breeder plaque was given out. The placements are as follows.

At this year's Waterfront Film Festival in Saugatuck, MI several club members got to see the documentary "Wild Horse Wild Ride". We were all left amazed! This movie follows several everyday people who decide to train a wild mustang for the Extreme Mustang Makeover competition. You will fall in love with each person and horse introduced. One review I found on their website puts it into words much better than I can... "Thrilling, heartbreaking, and full of joy, Wild Horse, Wild Ride, is that rare gem that reaches out to anyone with a soul and leaves an indelible impression."
