MEETING MINUTES

The regular meeting of the V.C.O.I. was called to order at 8:35pm by President Randy Boggs. Tony Lucas motioned, seconded by Ann Lucas, to accept the minutes of the last meeting as printed in The Bulletin. Iris Pechota gave the Treasurer's Report indicating a favorable bank balance.

We need a Chairman for the Fall Fun Trial. Roy Greffin volunteered. Hunting Test Chairman Tony Dewar said premiums have been mailed and urged support for our first sanctioned Hunting Test.

The Fall Field Trial (Sept. 17 & 18) has been approved by the AKC. Some of the judges will be Debby Fridlund, Bill Elliott, Jim Busch, Roy Greffin and Terry Trszinski. Jim Busch reported on the summer Specialty Show and Fun Trial. Kishwaukee Kennel Club is having a puppy match on the Friday July 22, the day before the show on Saturday. We have 44 entries for the Specialty. We plan to charge \$8 per entry for the Sunday Fun Trial. It's going to be a good time!

Kathy Harmer has donated a trophy - "DesPlaines Valley Hunting Dog Championship" to be given at one of our events. Jim Busch motioned, seconded by Tony Dewar, that we have this stake at one of our spring events.

Geno Woehrle gave information on the Illinois Department of Conservation phone-in reservations for fall hunting.

Gina Ordonez volunteered to bring refreshments for the next meeting. Cheryl Woehrle motioned, seconded by Roy Greffin, to adjourn at 9:15pm.

SPECIALTY SHOW-FUN TRIAL WEEKEND HIGHLIGHTS

Appropriately named, the weekend of July 23-24, 1988 WAS both special and fun!

The weekend kicked off on Friday, with a new event, a Fun Match sponsored by the Kishwaukee Kennel Club. The match drew an entry of over 100 dogs and puppies, and there were several Vizslas in attendance. Four-month-old Behi Red Chief, (owners Randy & Sue Boggs) took the Vizsla Best of Breed and went on to a Sporting Group II placement, despite his apparent lack of ring manners!

Saturday dawned on a beautiful day, with a slight moderation in the prevailing temperature! Judge Arlene Thompson and 44 Vizslas were on hand. A healthy entry in the Open Classes resulted in 5-point majors for both dogs and bitches. Taking the Winner's Dog award was **Thistledown Theron Bayard**, owned by Jack & Renee Izard, with the Reserve Winner's Dog going to **Dallery's Hunter**, owner-handled by Karen Perry (co-owner is David Perry).

Winning a large bitch class and finishing her championship at the tender age of 11 1/2 months was **Morning Sky Rude & Reckless**, who made the trip east from Omaha, Nebraska, with her owners Andy & Lorre Schmidt. Reserve Winner's Bitch went to **Keystone's Ishah**, JH (a.k.a. Liz), handled by owner Debby Fridlund.

The Best of Breed entry presented a great looking line-up of Vizslas for Judge Thompson's consideration. After a careful evaluation of each dog, her choice for Best of Breed was **Ch. Polar Kap's Four on the Floor**, who was skillfully shown by his owner Kathy Harmer. "Shifter" was also a star in last year's Specialty Show when he took the Winner's Dog award. **Ch. Four Winds Scarlett O'Hagen**, JH, owned by Tom & Debbie Hagen, was selected as Best of Opposite Sex, coming from the Field Bitch class. With a Junior Hunter title to her credit, Scarlett has proven she's more than just another pretty face! Judge Thompson's final decision was to name **Morning Sky Rude and Reckless** as Best of Winners.

Meanwhile, inside at the Obedience Ring, **Ch. Kalypso Kopy Kap Kodi**, CDX, handled by his co-owner Gwen Tomlinson, was working his way to the Highest Scoring Vizsla in Trial award, with a great score of 195 in the Open B class. **CONGRATULATIONS!** to all of the winners.

After the judging we adjourned to another excellent picnic! (Eating seems to be another of our "specialties"!) After a leisurely lunch, it was on to the Group Judging, where our hero Shifter strutted his stuff for an appreciative crowd. In an exciting climax to the day, Shifter did us all proud by taking a Group II placement!! Congratulations to Kathy & Shifter for a job well done!!

SUNDAY FUN TRIAL

Although Sunday turned out to be a little warmer, it was still a great day for a Fun Trial. We had a good turnout, with a lot of new Vizsla owners on hand. It was neat to see so many puppies in one place! Our thanks to hosts Jim & Linda Busch, who as usual, put a lot of time and effort in to making it a successful event. Jim has promised a write-up on the day's activities for next newsletter.

OPEN BITCH CLASS

FIRST HUNTING TEST DECLARED A SUCCESS

The VCOI's first Hunting Test was held on Sunday, August 28, 1988 at Rogers' Hunting Club in Ohio, Ill. As this test was recognized by the AKC as a Sanctioned A test, qualifying scores earned do not count toward a Hunting Test title. But it did give us a good opportunity to discover what the testing program is all about and to see how our dogs performed. Many participants felt the tests were very worthwhile and we will be discussing future Hunting Tests at our next club meeting. If you're interested in finding out more, join us at the meeting!

Receiving qualifying scores were:

Junior Hunter

Dallery's Hunter, /h Karen Perry

Butch Misty's Spirit, h/ Bill Lyman

Ch. Kalypso Kopy Kap Kodi, CDX, h/ Gwen Tomlinson

Reckless Curly Busz, h/ Jim Busch

Highest scoring dog for the Day was **Ch. Russet Duke's Tawny Tamerlane**, handled by owner Roy Greffin in the Master Hunter Test. Many thanks to our three judges for the day, Ernie Barboza, Tony Lucas and Bill Lyman. Thanks also go to Karen Perry for donating the hot dogs for lunch and to Kathy Harmer who donated the qualifying ribbons. A big pat on the back to Chairman Tony Dewar and Secretary Bill Elliott, who did a fine job organizing a new event for the VCOI!

Three Masters

A Great Day In April For Vizslas

On April 17 three Vizslas earned their Master Hunter titles at two hunting tests held at opposite ends of the country.

One of the dogs, Dual Champion Golden Empire Beaugard CD—or Beau, as he is known—was bought on a whim by his owner and handler, Mike Parks, of Bakersfield, California. Since that day six years ago, the two have come to know each other so well that Beau seems to anticipate Parks' commands, according to the owner, who is also the dog's trainer.

"Beau has many almost human qualities," says Parks, "and is virtually a member of the family." Parks feels that the time and money he invested in his dog have paid off in the number of titles he has earned, including his conformation championship, completed at the South Bay Kennel Club show in Torrance, California, in 1983, his

field championship at a Gordon Setter Club of America trial in 1987, and now a Master Hunter, at a Gordon Setter Club of America test held at Cummings Valley, Tahachapi, California.

The other two Vizslas which achieved their Master Hunter status on April 17, Randy Bee's Ramblin' Man (Ram), and Semper Fi Chesty Puller (Chesty), are not only good friends, they are exactly the same age and have been competing against each other since they were puppies. Not only have they been good friends all their lives, they also finished their Master Hunter at exactly the same time at a test held by the New York Vizsla Club at Borgan's Game Farm, Three Bridges, New Jersey.

EDITOR'S CORNER

This time of year is certainly an active one for the VCOI! Since July we have had the Specialty Show/Fun Trial, a Hunting Test and a Training Session. Still to come is our Fall Field Trial on September 17-18th at DesPlaines and many fall shows and obedience trials. Fall Field Trials and hunting season will also be in full swing, which will keep many members busy right up to Christmas.

If in the midst of all of this activity, your favorite Vizsla has an accomplishment you'd like to brag about, share it with all of us! I'll try to use info as space is available and publish show wins (Winner's Dog/Bitch, Best of Opposite, Best of Breed), Field Trial Placements, Obedience and Hunting Test Qualifying Scores.

To standardize information submitted, I have come up with a short form which should help get all the pertinent details. If your dog earns a title, send a picture and I'll try to work it in to the newsletter!

On the Cover

This issue of The Bulletin features **Ch. Polar Kap's Four on the Floor**, the 1988 VCOI Specialty Show Best of Breed winner. Shifter's owner Kathy Harmer writes: "This young male started his show career with 2 points at the tender age of six months. He has been a joy to show ever since. At last year's Specialty Show he went Winner's Dog for a 5 point major and this year he won it all. Shifter went on to take a Sporting Group II placement! I'm very proud of him, as I am of the other two dogs I've owned and shown for Best of Breed Wins at the VCOI Specialty. (Ch. Polar Kap's Sporting Goods, '78-'79, and Ch. Polar Kap's Copper Rhodes, '83-'84.) It is such a thrill to win at a Specialty because of all the super dogs that come to compete, and there is always such great support in the Group Ring from the Vizsla people. I wish that everyone could experience that feeling."
